Miss California Pageant returns to Long Beach

The Miss California USA® and Miss California Teen USA® Pageant merges fashion and glamour while building self esteem and leadership skills amongst California's young women. The event varies from 200 to 350 participants each year, fielding applications from thousands of young women between the ages of 14 to 27, making it one of the largest state pageants in history.

Throughout the year, contestants are offered guidance on public speaking, networking, personal appearance, physical fitness and nutrition. The importance of building your own personal brand is taught, and making sure you market yourself for the future in the best possible way.

The 2014 Pageant will be held on Friday, Jan. 3 (preliminary competition), and Saturday, Jan. 4 (final) at Terrace Theater, 333 East Ocean Blvd. in Long Beach, the city where Miss USA and Miss Universe pageants began in 1952!
